# Our offer

## The mandate comprises the following points:

- Development of the content of a survey as the basis for working out a communications strategy.
- Design / layout and setup of an offline & online survey (incl. online design and translation into two languages).
- Analysis of the collected data and preparation of a report incl. recommendation for action for the further procedure.

Example of online survey

# Our experience

Your advantages when working together with cR Kommunikation:

- Our varied experience with communications projects of the federal administration (including Federal Office of Energy, Federal Office for the Environment, Federal Office for Spatial Development, Federal Office of Public Health, Federal Department of Environment, Transport, Energy and Communications).
- Our expertise in the areas of public relations work and strategy development /strategic communication, used in various areas such as campaigns, feasibility studies and public affairs projects.
- Our ability as a full-service agency to supervise projects from the planning onto implementation and controlling.

# Metropolitan Conference

## Zurich Metropolitan Area Association

Task Development, design and management of the strategical review process of the Zurich Metropolitan Conference

Category Strategy development

Service Survey with metropolitan council, consisting of 8 councillors, 8 mayors and their chiefs of staff. Analysis and report of the corresponding data, preparation for a communications workshop with plan of action and recommendation for action.

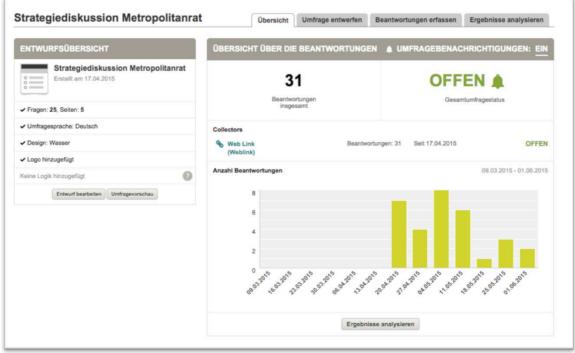

Why is this important for you? We understand how to gauge the opinions of many different actors, to analyse them and derive the best possible recommendation for action from them.

\* 6. Wo liegen Ihrer Meinung nach die Schwächen der Metropolitankonferenz

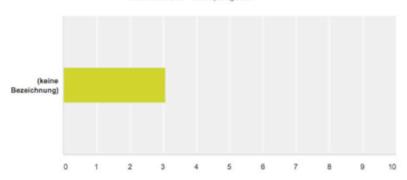

Examples of design and evaluation of the survey

# Q4 Wie zufrieden sind Sie generell mit der Arbeit der Metropolitankonferenz?

Beantwortet: 27 Übersprungen: 4

	1 überhaupt nicht zufrieden	2 nicht zufrieden	3 zufrieden	4 sehr zufrieden	Gesamt	Gewichteter Mittelwert
(keine Bezeichnung)	0,00%	11,11%	70,37%	18,52%	27	3,07
	0	3	19	5		

	Kommentar	Datum
1	Zuviele regionale Projekte. Kosten / Nutzenverhältnis nicht ideal. Teilwiese Parallelorganisation zu bestehenden Strukturen	
2	Gutes Austauschgremium zwischen den beiden Staatsebenen Kanton und Stadt/Gemeinde. Sinnvolles Austauschgefäss, um regionale Herausforderungen gemeinsam anzugehen.	
3	wünschbar wären mehr Projekte mit substantiellem Nutzen für die einzelnen Mitglieder	
4	Angesichts der Heterogenität (kleine und grosse Kantone und Gemeinden) hat man einiges erreicht; die Fokussierung auf gemeinsame Interessen ist wichtig, aber gerade dieser Heterogenität nicht einfach.	
5	Keine Themen mehr bearbeiten die in den kantonalen Parlamenten keine politischen Mehrheiten gefunden haben. Die Metropolitankonferenz darf nicht als 3 Staatsebene missbraucht werden.	
6	Bin neu dabei und kann das noch nicht beurteillen.	11.05.2015 17:10

# On the ball together

Swiss Refugee Council, State Secretariat for Migration, Office of the United Nations High Commissioner for Refugees

Task The annual Refugee Day needs more media coverage: in 2012 cR Kom is organising a football match and bringing the theme extensively to the national media.

Category Public relations work

Service Development of ideas, coordination, organisation and implementation incl. social media, creation of video clips and media relations. The occasion is being covered in print, on radio, on TV.

Why is this important for you? Sometimes one single measure is enough to achieve the set goals. To find this measure and implement it consistently – that is efficient and effective communication!

Die Schweizerische Flüchtlingshilfe SHF, das Bundesamt für Migration BFM und das UN-Flüchtlingshochkommissariat UNHCR Schweiz organisieren den Fussball-Match als Auftakt zum nationalen Flüchtlingstag vom 16. Juni 2012, dem

# Cooperation, information, communication in the area of electricity grids

Federal Office of Energy

Task On behalf of the Federal Office of Energy, cR Kom is developing a communications strategy and also an action plan for the implementation of the corresponding requirements regarding cooperation, information and communication in the electricity grids strategy\*.

Category Strategy development

Service Strategy development and conception of measures, implementation of workshops and creation of the final report for the Federal Office of Energy.

Why is this important for you? Strategy development is one of our core competences. We know how to use it in particular with more complex projects with various stakeholders.

Mitwirkung, Information und Kommunikation im Bereich Stromnetze

Studie im Auftrag des Bundesamts für Energie

<sup>\*</sup>together with Geelhaar Consulting

# Funding and Expansion of the Railway Infrastructure (FABI)

The information service for public transport LITRA and the public transport union VöV

Task Realisation and implementation of the national voting campaign on FABI

Category Public affairs, campaigning & strategy development

Service Campaign design, coordination and implementation (offline and online).

Result The bill was accepted with 62% voting YES Why is this important for you? We understand how to

assess political moods and develop clear and target group-oriented messages for our clients.

# Dementia can affect everyone

Alzheimer's Association & Pro Senectute

Task Information and awareness campaign Category Strategy development, campaigning, public relations

Service Conception and implementation of the campaign (offline and online) incl. website, posters, newspaper advertisements, online advertising, film, PR, media relations and coalition building.

Why is this important for you? Some themes need to be communicated loudly, others more quietly and with a lot of tact. We are skilled in both ways.
